Summary

Aspiring Frontend Software Engineer with a solid foundation in full-stack web development, specializing in React and Node.js. Experienced in building scalable, user-centric applications through hackathons and real-world projects. Eager to leverage skills in JavaScript frameworks and user interface design to contribute to innovative frontend solutions.

Education

Guru Nanak Dev Engineering College   **2022 – 2026**
Bachelor of Science in Computer Science **CGPA 8.14**   *Ludhiana, Punjab*

Holy Family Convent School   **2021 – 2022**
ISC Subject P.C.M ,10+2   **Grade :90.2**   *Gurdaspur, Punjab*

Holy Family Convent School   **2019 – 2020**
ICSE 10th   **Grade :93.6**   *Gurdaspur, Punjab*

Relevant Coursework

- Data Structures
- Software Methodology
- Algorithms Analysis
- Database Management
- OOPS
- Operating System
- React JS
- Node JS
- Type Script
- Microsoft Office
- Systems Programming

Projects

Campus Connect   **January 2025-June 2025**
(React, JavaScript, Vite, Tailwind CSS)

Campus Connect is a comprehensive digital platform designed to enhance communication and resource sharing within educational institutions.

- Build a user friendly interface for seamless usage across various decision.
- Developed Centralized Platform that integrates academics and extracurricular activities.
- Facilitated seamless access to academic resources, to empower students in their learning journey.

Portfolio WebSite   **April 2024-June 2024**
(Type Script, React JS, Tailwind CSS)

A modern, responsive web portfolio designed and developed with a clean, user-centric interface to showcase projects, skills, and personal branding.

- ∗ Interactive Design: Sleek UI with smooth navigation across sections.
- ∗ Tech Stack: Built using React, styled with Tailwind CSS .

Coding Profile

- ∗ **Leetcode** : **200+** problems solved across various topics
- ∗ **Hackerrank** : **3-star** rating in DSA (Java)
- ∗ **GeeksforGeeks** : **100+** problems solved, focusing on DP and graph theory

Technical Skills

Languages: C++, Java, C, HTML/CSS, JavaScript, SQL, React JS , NOde JS, Type Script, Python
Developer Tools: VS Code, Eclipse,SQL Server Management Studio,Github, Excel,Power Bi
Editing Tools:Canva , Lightroom , Adobe Express, Microsoft Office

Certificates

- ∗ **ThinkNext Internship** :Conducted a intership training program at ThinkNEXT technologies in React JS and AWS course work.
- ∗ **Infosys Springboard** :Conducted a training program at Infosys Springboard in C programming and Python language.

Hobbies

Technical interest: Passionate to learn ,Solving Data Structures Algorithms problems on LeetCode
Outdoor Activities: Driving ,Cricket
Creative Arts: Designing visual content and templates on Canva
